2. CAPACITY IN WHICH MFGA ACTS

The Client acknowledges that MFGA acts as principal in the administration of this Agreement and in entering into and performing obligations under or pursuant to this Agreement.

3. ESTABLISHMENT OF ACCOUNT

- (a) MFGA must establish a CFD Account in the Client’s name.
- (b) All monies deposited to the credit of the CFD Account shall be paid into a Client Segregated Account.
- (c) Where two or more natural persons and no other are named as the client the account shall be established in their names as joint holders unless they specifically advise otherwise.
- (d) The Client will be entitled to interest on client segregated funds held by MFGA at a rate agreed between MFGA and the Client from time to time (and, in the absence of such agreement, the rate determined by MFGA and last notified to the Client).
- (e) The Client acknowledges that within the Client Segregated Account the balance of its CFD account is pooled with the balance of other CFD accounts established by MFGA for its clients and other client money and that consequently, the Client’s CFD Account balance may not be protected if there is a default in the overall Client Segregated Account balance. The Client also acknowledges that under section 981D of the Corporations Act, money held in the Client Segregated Account may be used by MFGA to meet obligations incurred by MFGA in connection with margining, guaranteeing, securing, transferring, adjusting or settling dealings in derivatives by MFGA (including dealings on behalf of persons other than the Client).
- (f) The Client may deposit AUD or Foreign Currency to the credit of the CFD Account. Each Foreign Currency balance recorded in the Client’s CFD Account is operated as a separate ledger, called a Foreign Currency Ledger. Any deposit in a Foreign Currency which the Client makes to, or which is recorded in, the CFD Account will be recorded in the Foreign Currency Ledger.

4. OPENING A CONTRACT

- (a) On any Business Day during the trading hours of the Relevant Exchange, the Client may request MFGA by telephone, fax, email or electronically to quote the price of a Contract Security at which MFGA may be prepared to enter into a CFD in respect of that Contract Security. The Client acknowledges that a price quotation pursuant to this clause does not constitute an offer to enter into or close a CFD.

- (b) Immediately upon receiving the quote and during the trading hours of the Relevant Exchange, the Client may by telephone, fax, email or electronically, offer to enter into a CFD with MFGA at the quoted price. If, under the rules of the Relevant Exchange, the Contract Security can only be purchased in a specified amount or in multiples of a specified amount, the Client must ensure that the Contract Quantity of the CFD set out in the offer by the Client is in the specified amount or a multiple of the specified amount, as applicable.
- (c) The Client must confirm with MFGA that offers sent via email or fax have in fact been received by MFGA.
- (d) After the Client has offered to enter into a CFD with MFGA until MFGA actually enters into the CFD (as determined by MFGA), the Client may notify MFGA that it wishes to cancel or vary that offer. MFGA may, in its absolute discretion refuse to accept such cancellation or variation, if (among other things) MFGA will be adversely affected by the cancellation or variation (as determined by MFGA in its sole discretion). MFGA has no responsibility or liability to the Client if it is unable to vary or cancel the Client's offer under this clause 4(d).
- (e) MFGA is under no obligation to accept the Client's offer to enter into a CFD, and without limitation, is not obliged to accept the Client's offer to enter into a CFD:
- (i) if the Client has exceeded or would exceed a relevant Exposure Limit applying to the Client under clause 4(k); or
 - (ii) until MFGA has received the Initial Margin required in respect of that CFD, in cleared funds.
- (f) The Initial Margin required in respect of a CFD (if not already received from the Client by MFGA) shall be payable upon MFGA accepting the Client's offer to enter into the CFD.
- (g) If MFGA accepts the Client's offer to enter into a CFD, MFGA will issue to the Client a written confirmation of that CFD promptly after it has been entered into, in the form of a Confirmation, but failure by MFGA to issue a Confirmation will not prejudice or affect that CFD. MFGA will not have any liability as a result of a failure to issue a Confirmation. If MFGA decides not to accept the Client's offer to enter into a CFD, MFGA will advise the Client of that decision promptly.
- (h) The Client undertakes to examine the terms of each Confirmation in respect of a CFD immediately upon receipt and unless within 48 hours of issue of a written Confirmation the Client notifies MFGA of any disputed detail in the Confirmation, the Client agrees that the contents of the Confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal. Upon receipt within that 48 hours of written notice as to a disputed detail, MFGA will investigate the matters disputed and the Client will cooperate with MFGA in good faith to resolve the dispute. The Client will, notwithstanding any such dispute, continue to satisfy the Client's obligation to pay Margin calls made by MFGA in respect of the relevant CFD as if the details contained in the Confirmation were correct and not the subject of dispute.
- (i) MFGA reserves the right to cancel any CFD which involves or derives from a manifest error (including without limitation, an error in the Contract Security Price), or to amend the terms of such a CFD to reflect terms which MFGA considers in its sole discretion acting in good faith to be the correct terms. If MFGA cancels a CFD under this clause it will be considered void from the outset.
 - (j) The Contract Value of a CFD, all debits and credits in respect of a CFD and the Closing Value of a CFD are denominated in either AUD or the relevant Foreign Currency. If the Client does not have a Foreign Currency Ledger balance in its CFD Account in the relevant Foreign Currency, when the Client enters into a CFD, MFGA will establish a Foreign Currency Ledger in the CFD Account in that Foreign Currency.
 - (k) MFGA may, in its absolute discretion, notify the Client of an Exposure Limit under this Agreement:
 - (i) beyond which if the Client wishes to enter into any further CFDs, the Client must seek and obtain risk approval from MFGA, which may not be forthcoming; and
 - (ii) beyond which the Client may not enter into any further CFDs whatsoever.
 - (l) MFGA may introduce or vary any Exposure Limit at any time by notice to the Client.

- (m) The Client acknowledges that if the Client gives MFGA standing instructions to enter into a CFD when a particular price level is reached in the market for the Contract Security the price at which the CFD is entered into might not be that exact price because MFGA may elect not to enter into the CFD until it has satisfied itself that it can hedge its exposure or MFGA may otherwise choose not to enter the CFD.
- 5. MARGIN REQUIREMENTS**
- (a) The Client acknowledges that before it is permitted to enter into a CFD, MFGA may require the Client to deposit with MFGA cleared funds as Initial Margin. The amount deposited as Initial Margin will secure the Client's obligations under the agreement. The amount is released in accordance with paragraph (j) of this clause. The Initial Margin which is payable in respect of a CFD will fluctuate daily depending on the Contract Value of the CFD and will be debited from the Client's CFD Account. Both the amount of such Initial Margin and the time of its call shall be within the absolute discretion of MFGA and MFGA is under no obligation to allow any offset of any Initial Margin requirement.
- (b) MFGA may at any time in its absolute discretion as to time and amount, increase the Initial Margin requirements applicable in respect of any CFD and require the Client to deposit with MFGA cash equal to such increase.
- (c) MFGA may apply the opening balance of the Client's CFD Account or any other Free Equity in the CFD Account to the payment of Initial Margin or other Margin in respect of a CFD. For this purpose MFGA may notionally convert the currency of the opening balance of the CFD Account or other Free Equity in the CFD Account to any Foreign Currency using the Exchange Rate applicable to such conversion. MFGA will determine in its absolute discretion whether the Free Equity in the Client's CFD Account is sufficient to satisfy the Initial Margin or other Margin.
- (d) The Client is also required to pay Variation Margin in accordance with clause 6.
- (e) MFGA may require the payment of Additional Margin during the term of the CFD or other amount determined by MFGA, including, without limitation, if the GLV in the Client's CFD Account falls below AUD1,000 or Foreign Currency equivalent (as determined by MFGA in its sole discretion). Additional Margin can be paid in AUD or a Foreign Currency. The amount deposited as Additional
- Margin will secure the Client's obligations under the Agreement. The amount is released in accordance with paragraph (j) of this clause.
- (f) If MFGA makes a Margin call the Client must pay the amount of Margin called in accordance with clause 24(a). In all respects, time shall be of the essence for all payment obligations of the Client. If MFGA is unable to contact you in relation to a Margin call, this may be a Default Event which will allow MFGA to close out your CFD positions (see clauses 8(e)(i) and 15(l)).
- (g) MFGA may exercise any power or right under this clause 5, including, without limitation, the calling of Margin, in its absolute discretion.
- (h) Any exercise by MFGA of any power or right under this clause 5, including, without limitation, the calling of Margin, shall be binding on the Client.
- (i) Upon MFGA making a Margin call, the Client acknowledges that MFGA may refuse any request by the Client to enter into any further CFD until MFGA has confirmed receipt of the Margin call in cleared funds.
- (j) Margins deposited by the Client with MFGA secure the performance of the Client's obligations under this agreement. Margin deposited by the Client will not fall due for repayment until the Client's obligations under this agreement and under or in respect of any other account between MFGA and the Client are satisfied in full. Until this time, Margin will not constitute a debt due from MFGA to the Client nor will the Client have any right to receive payment of these funds.
- (k) MFGA may, in its sole discretion, allow the Client to withdraw any Free Equity from the Client's CFD Account. To the extent that the amount withdrawn represents Variation Margin paid by MF Global to the Client, the amount paid to the Client out of the Client's CFD Account is to be held by the Client as collateral to secure MF Global's obligations under the agreement. The collateral provided by the Client will fall due for repayment at the time the CFD is closed out. MF Global may, in its sole discretion, set off the Client's obligation to repay the collateral against an obligation of MF Global to pay an amount to the Client in accordance with clause 9 or 10.
- (l) The Client's liability in respect of Margin calls is not limited to the amount, if any, deposited with MFGA.

6. DAILY PAYMENT OF DIFFERENCES / VARIATION MARGIN

- (a) Following Business Close on each Business Day during the term of a CFD, the Calculation Agent will determine the Contract Value of the CFD as at Business Close.
- (b) If the Contract Value determined under clause 6(a) is higher than the Contract Value determined by the Calculation Agent in respect of the previous Business Close, then the Short Party must pay to the Long Party a Variation Margin, being an amount equal to the difference.
- (c) If the Contract Value determined under clause 6(a) is lower than the Contract Value determined by the Calculation Agent in respect of the previous Business Close, then the Long Party must pay to the Short Party a Variation Margin, being an amount equal to the difference.
- (d) For the purposes of determining under clauses 6(b) or 6(c) the Contract Value at Business Close on the Business Day on which the CFD is entered into, the Contract Value “in respect of the previous Business Close” is determined using the Contract Security Price at which MFGA and the Client agreed to enter into the CFD.
- (e) The Contract Value determined under clause 6(a) will ordinarily be the Closing Price of the Contract Security quoted by the Relevant Exchange. Where the Calculation Agent determines that the Contract Value of a CFD at Business Close cannot be determined on that basis for any reason, the Contract Value at Business Close will be the value determined by the Calculation Agent in its sole discretion.
- (f) Without limiting clause 6(e), if at any time trading on an Exchange is suspended or halted in any Contract Security, the Calculation Agent will, in determining the Contract Value, at its discretion have regard to the last traded price before the time of suspension or halt.
- (g) MFGA will credit to the Client’s CFD Account (or, if applicable, the relevant Foreign Currency Ledger in the Client’s CFD Account) any Variation Margin payable by MFGA. MFGA will debit any Variation Margin payable by the Client from the Client’s CFD Account (or, if applicable, the relevant Foreign Currency Ledger in the CFD Account). If the Free Equity in the Client’s CFD Account is insufficient to cover any amount payable by the Client, the Client must pay to MFGA the specified amount in AUD or

the relevant Foreign Currency (as represented in the applicable Foreign Currency Ledger) in cleared funds in accordance with clause 24(a).

- (h) Variation Margins deposited by the Client with MFGA secure the performance of the Client’s obligations under this agreement. Margin deposited by the Client will not fall due for repayment until the Client’s obligations under this agreement and under or in respect of any other account between MFGA and the Client are satisfied in full. Until this time, Margin will not constitute a debt due from MFGA to the Client nor will the Client have any right to receive payment of these funds.
- (i) Variation Margins deposited by MFGA with the Client secure the performance of MFGA’s obligations under this agreement. Margin deposited by MFGA will not fall due for repayment until MFGA’s obligations under this agreement are satisfied in full. Until this time, Margin will not constitute a debt due from the Client to MFGA nor will MFGA have any right to receive payment of these funds.

7. DIVIDENDS

- (a) If the Client is a Long Party in respect of a CFD over an AUD denominated Contract Security, the CFD Account will be credited with an amount equal to the cash amount of any dividend or distribution payable to the holder of the Contract Security (after any applicable withholding tax, other local taxes or other charges) and without regard to franking credits (as determined by the Calculation Agent) multiplied by the Contract Quantity on the Business Day immediately preceding the ex-dividend date.
- (b) If the Client is a Short Party in respect of a CFD over an AUD denominated Contract Security, MFGA will make reasonable endeavours to borrow stock from an offshore entity such that only an amount equal to the cash amount of any dividend or distribution payable to the holder of the Contract Security (plus an amount representing any applicable withholding tax, other local taxes or other charges) and without regard to franking credits (as determined by the Calculation Agent) multiplied by the Contract Quantity on the Business Day immediately preceding the ex-dividend date will be debited from your CFD Account. However, if MFGA is unable to enter into a stock borrowing arrangement with an offshore entity, then to the extent any relevant dividend or distribution includes a franked component, the amount debited from your CFD Account will include the value of any related franking credit, in addition to the amount of the cash dividend or distribution.

- (c) If the Client is a Long Party trading in a CFD over a Foreign Currency denominated Contract Security, the CFD Account will be credited with the amount of any cash dividend or distribution payable to the holder of the Contract Security (after any applicable withholding tax, other local taxes or other charges) multiplied by the Contract Quantity on the Business Day immediately preceding the ex-dividend date. MFGA will attend to this as soon as reasonably practicable, but this could take up to 10 Sydney Business Days to effect.
- (d) If the Client is a Short Party trading in a CFD over a Foreign Currency denominated Contract Security, the CFD Account will be debited with the amount of any cash dividend or distribution payable to the holder of the Contract Security (plus an amount representing any applicable withholding tax, other local taxes or other charges) (as determined by the Calculation Agent) multiplied by the Contract Quantity on the Business Day immediately preceding the ex-dividend date. MFGA will attend to this as soon as reasonably practicable, but this could take up to 10 Sydney Business Days to effect.
- (ii) if the Client gives MFGA standing instructions to close out a CFD when a particular Closing Price is reached in the market for the Contract Security, MFGA will use reasonable efforts to close out the CFD at the agreed Closing Price but may not be able to fill the Client's order or may not be able to close out the CFD at the exact Closing Price requested by the Client.
- (e) If any of the following occurs, MFGA has the right to close any CFD:
- (i) a Default Event;
 - (ii) an Adjustment Event;
 - (iii) the aggregate amount of Variation Margin payable by the Client in relation to a CFD exceeds 50% of the Initial Margin in respect of that CFD;

8. CLOSING A CONTRACT

- (a) The Client may at any time during the trading hours of the Relevant Exchange give MFGA notice (Closing Notice) by telephone, fax, email or electronically or otherwise of the Client's wish to close any CFD (whether in whole or part) specifying the Contract Security and the proportion of the CFD that the Client wishes to close
- (b) Following receipt of a Closing Notice, MFGA will use reasonable endeavours to give a quote for the Closing Price and notify the Client of that quote (by telephone or otherwise). The Client must notify MFGA as soon as possible during the trading hours of the Relevant Exchange (by telephone, fax, email or electronically or otherwise) whether or not the Client is willing to accept the Closing Price. If the Client accepts the Closing Price and instructs MFGA to close out the CFD at the Closing Price, the CFD (or if applicable, the relevant portion of the CFD) will be closed on the Closing Date.
- (c) The Client must confirm with MFGA that instructions sent by fax or email have in fact been received by MFGA.
- (d) The Client acknowledges that:
- (i) it may not be able to close out a CFD if there is a suspension of trading or a trading halt in respect of the Contract Security. In such a circumstance, MFGA may decide in its absolute discretion not to close a CFD; and
- (iv) MFGA's counterparty in a Hedge Position unwinds or closes out the Hedge Position or for any other reason MFGA is no longer able to maintain the Hedge Position; or
 - (v) in the circumstances set out in clause 11(c);
 - (vi) a Foreign Ownership Event occurs; or
 - (vii) if the Gross Liquidation Value of your CFD account falls below AUD 1,000 or the Foreign Currency equivalent (as determined by MFGA).
- (f) If the issuer of a Contract Security of a CFD becomes externally administered, MFGA may, in its discretion, elect to close out the CFD at any time. If MFGA elects to close the CFD it will determine the Closing Price having regard to any factors it considers appropriate, and MFGA may determine that the Closing Price is zero.
- (g) If at any time a takeover offer is made in respect of a Contract Security (or a similar event occurs), then at any time prior to the closing date of such offer, MFGA may give the Client notice of MFGA's intention to close the CFD. If that happens, the Client is taken to have given a Closing Notice under clause 8. For the purposes of clause 8, the Closing Price is the price notified to the Client by MFGA.

(h) Without limiting clauses 6(e) or 8(b), if any of the Contract Securities cease to be quoted on a Relevant Exchange, or are suspended from quotation, or subject to a trading halt for 3 or more consecutive Business Days (or such lesser period agreed between you and MFGA), MFGA may, in its absolute discretion, elect to terminate the relevant CFD by notice to the Client in writing. If MFGA elects to do so then:

- (i) the Closing Date will be the date on which MFGA notifies the Client of its election (**Early Closing Date**); and
- (ii) the Client will be treated as having given notice under clause 8(a) on the Early Closing Date at the time MFGA notifies the Client of its election to terminate the CFD.

9. CONSEQUENCES OF CLOSING A CFD

- (a) As at Business Close on the day that a CFD is closed out, the Calculation Agent will calculate the profit or loss on the CFD being the difference between the Closing Value of the CFD and the Open Contract Value of the CFD. The net payment rights and obligations of the Client and MFGA will be based on the profit or loss (difference between the Closing Value of the CFD and the Open Contract Value of the CFD) and taking into account the Initial Margin, any Variation Margin and any Additional Margin which is required to be repaid by the Client or MFGA under clause 5(j), 6(h) and 6(i). Net payment is to be paid in accordance with clause 10.
- (b) Where the Calculation Agent determines that the Closing Value of a CFD cannot be calculated on the Closing Date for any reason, the Closing Value will be the value determined by the Calculation Agent in its sole discretion.
- (c) Where a CFD is closed out under clause 8(e), the Closing Price shall be determined by the Calculation Agent who may have regard to any factors it considers appropriate including, for example, the last traded price of the Contract Security and if the Client is the Long party, the Calculation Agent may determine that the Contract Value is nil.
- (d) Without limiting clause 8(b), if at any time trading on an Exchange is suspended or halted in any Contract Security, the Calculation Agent will, in determining the Closing Value of a CFD, at its discretion have regard to the last traded price before the time of suspension or halt.

(e) The Client acknowledges that in certain circumstances MFGA may not release funds on the closing out of a CFD if the CFD is subject to an Adjustment Event at the time of close out. In such circumstances Client funds may not be released until the Calculation Agent has determined the treatment of the relevant Adjustment Event.

10. SETTLEMENT OF POSITIONS

- (a) All payments to be made by a party in respect of any CFD must be made in accordance with this clause 10.
- (b) When a payment for difference is made in accordance with clause 6, or a CFD is closed out in accordance with clause 9:
 - (i) MFGA will credit to the Client's CFD Account any amount payable by MFGA to the Client; or
 - (ii) MFGA will debit from the Client's CFD Account any amount payable by the Client. If there is insufficient Free Equity in the Client's CFD Account to cover such payment, the Client must pay such amount to MFGA in such currency as MFGA may require and in accordance with clause 24(a).
- (c) If the Client has requested payment of any money owed to the Client under this clause 10, MFGA will deduct that money from the Client's CFD Account and pay it to the Client by cheque or in such other manner as may be agreed between MFGA and the Client. If the Client has not requested payment of any money so owed to the Client it will be retained in the Client's CFD Account.
- (d) MFGA may set off any money owed to the Client under this Agreement or any other agreement against any money owed by the Client under this Agreement or any other agreement.

11. ADJUSTMENTS

- (a) If any Contract Security becomes subject to possible adjustment as the result of any of the events set out in clause 11(b), the Calculation Agent shall determine the appropriate adjustment, if any, to be made to the Contract Value of that Contract Security and/or the related Contract Quantity, to place the parties in substantially the same economic position that they would have been in had the Adjustment Event not occurred. The adjustment will take effect as at the time determined by the Calculation Agent. MFGA

must give notice of any adjustment or amendment under this clause to the Client as soon as reasonably practicable after the determination.

(b) The events to which paragraph (a) of this clause refers are the declaration by the issuer of the Contract Security of the terms of any of the following:

- (i) a subdivision, consolidation or reclassification of shares, or a free distribution of shares to existing holders by way of bonus, capitalisation or similar issue;
- (ii) a distribution to existing holders of the underlying shares of additional shares, other share capital or securities granting the right to payment of dividends and/or proceeds of liquidation of the issuer equally proportionately with such payments;
- (iii) holders of the underlying shares, or securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in money cash or money's worth) at less than the prevailing market price per share as determined by the Calculation Agent;
- (iv) any event in respect of the shares analogous to any of the foregoing events or otherwise having a dilutive or concentrative effect on the market value of the shares; and
- (v) any other event in respect of which MFGA (in its absolute discretion) decides an adjustment is appropriate.

(c) If at any time an Adjustment Event occurs and the Calculation Agent determines (in its absolute discretion) that it is not reasonably practicable to make an adjustment under clause 11(a), MFGA may at any time after it becomes aware of the Adjustment Event give the Client notice of MFGA's intention to close the CFD. If that happens, the Client is taken to have given a Closing Notice under clause 8. For the purposes of clause 8 the Closing Price is the price notified to the Client by MFGA.

(d) The Client acknowledges that no Adjustment Event will give the Client any right in relation to any Contract Security under this Agreement, and that MFGA or any counterparty with whom MFGA has entered into a hedging arrangement has absolute discretion to deal with any Contract Security in any way following any Adjustment Event.

(e) The Client acknowledges that MFGA may have regard to any adjustments to its Hedge Position when determining the appropriate adjustment, if any, to be made following the occurrence of the Adjustment Event.

12. INTEREST CHARGES ON OPEN CONTRACTS

(a) MFGA and the Client will be entitled to interest, or will be required to pay interest, as set out in clauses 12(b) and (c) below. Interest is calculated daily and paid monthly and is payable separately in respect of each currency held in the Client's CFD Account.

(b) The Client will pay interest to MFGA on any AUD debit balance or Foreign Currency Ledger debit balance in the CFD Account. The Client acknowledges it must pay MFGA interest in respect of each currency in the CFD Account for which the Client has a debit balance, even if the aggregate Free Equity in the CFD Account is a credit balance.

(c) MFGA will pay interest to the Client on any AUD credit balance or Foreign Currency Ledger credit balance in the CFD Account.

(d) In respect of each CFD where the Client is the Long Party, the Client will pay a funding amount to MFGA. The funding amount is calculated, accrued and paid daily. The funding amount is calculated on the basis of the Contract Value of such CFD.

(e) In respect of each CFD where the Client is the Short Party, MFGA will pay a funding amount to the Client. The funding amount is calculated, accrued and paid daily. The funding amount is calculated on the basis of the Contract Value of such CFD.

(f) The funding amounts shall accrue on a daily basis and be payable daily.

(g) The Client acknowledges that, in respect of certain currencies, the funding rate which applies to such currency may be a negative rate and that accordingly, the Client will be required to pay such amount to MFGA.

(h) Interest payments and funding payments shall be settled by MFGA by debiting or crediting the Client's CFD Account. If there is insufficient Free Equity in the Client's CFD Account, the Client acknowledges that any amount due under this clause is a debt due and owing by the Client to MFGA.

(i) In debiting or crediting interest payments or funding payments to the Client's CFD Account, MFGA may

charge or pay the Client interest or funding at a rate different to the interest rate or funding rate which MFGA is charged or paid on equivalent borrowings of foreign currency by a bank and may retain the difference.

- (j) The interest rates and funding rates applicable under this clause 12 will be as agreed between the Client and MFGA from time to time and, in the absence of such agreement, shall be a rate determined by MFGA in its absolute discretion. The Client acknowledges and agrees that the interest rates and funding rates are subject to change.

13. REPRESENTATIONS

(a) The Client represents and warrants to MFGA that:

- (i) the Client is not insolvent, and if the Client is a corporate client, no resolution has been passed and no petition has been presented or order made for the Client's winding up or liquidation or the appointment of a receiver or a receiver and manager or an administrator of other insolvency official to the Client or any of its assets;

- (c) The Client acknowledges that MFGA enters into this Agreement in reliance on these representations and warranties and these representations and warranties survive the entering into of this Agreement and of each CFD.

14. AUTHORISED PERSON

- (a) MFGA is authorised to act upon the written or verbal instructions of the Client and of each person authorised to instruct MFGA on the Client's CFD Account. The persons authorised to instruct MFGA on the Client's CFD Account are any of those listed in the [Master Schedule] at the beginning of this Agreement unless otherwise directed in writing to MFGA.

- (e) If MFGA receives an instruction in circumstances where it is reasonable for MFGA to assume it was from an Authorised Person, MFGA is not liable for any properly performed action or omission by MFGA in reliance on that instruction.

- (f) MFGA is not liable in respect of any act or omission by MFGA in reliance on any instruction given or action taken by any person acting or purporting to act on behalf of the Client who is not an Authorised Person.

- (g) This clause 14 shall not apply to the extent the liability arises from the negligence, fraud or dishonesty of MFGA or any of its employees and agents in relation to MFGA's activities as an Australian financial services licensee.

15. DEFAULT EVENTS

It is a Default Event, whether or not it is within the Client's control, if:

- (a) any monies owing by the Client to MFGA under this Agreement (including, without limitation, a Margin call made pursuant to clauses 5 or 6) or any other agreement or on any account whatsoever are not duly and punctually paid to MFGA or satisfied as and when they become due;

- (m) the Client is in breach of any Exposure Limit.

16. ACTION FOLLOWING A DEFAULT EVENT

- (a) Upon or at any time after a Default Event occurs, MFGA, without prejudice to any other rights it may have, has the right and power (but not the obligation) in its sole absolute and unfettered discretion and without the necessity to give prior or any notice to the Client to do (and to the extent necessary at law, the Client authorises MFGA to do) any one or more of the following:
 - (i) terminate this Agreement in accordance with clause 18;
 - (ii) close out all or any of the Client's CFDs as if the Client had given a Closing Notice under clause 8 and had accepted the Closing Price determined by MFGA under clause 8;
 - (iii) treat all or any CFDs as having been terminated by the Client in which case clause 16(d) shall apply;
 - (iv) terminate any other agreement or any account whatsoever between the Client and MFGA;

- (c) The Client hereby authorises MFGA, where MFGA exercises its right under clauses 16(a)(ii) and/or 8, to close out a CFD, at the Client's risk and expense and in the Client's name, in accordance with clause 8, as if the Client had given notice on the date that MFGA exercises its right.
- (d) Where MFGA exercises its right under clause 16(a)(iii) to treat a CFD as having been terminated by the Client, MFGA will calculate the amount owing by either MFGA or the Client in accordance with clause 8 as if the Client had given a Closing Notice under clause 8 and the Client had accepted the Closing Price determined by MFGA. MFGA shall be entitled to debit from the Client's account liquidated damages of an amount equal to any amount which would have been payable by the Client had the CFD been closed at the Closing Price and the Client acknowledges that such liquidated damages are a genuine preestimate of MFGA's loss.
- (e) Any action by MFGA under this clause 16 shall be without prejudice to any of MFGA's rights to damages or any other remedy, and shall not limit any other provision of this Agreement including without limitation clause 19.

17. ILLEGALITY

If any event occurs (including the introduction, implementation, operation or taking effect of, any law, regulation, treaty, order, official directive or ruling, or any change in any such law, regulation, treaty, order, official

directive or ruling or in their interpretation or application by any governmental authority or agent) which makes or declares it unlawful or impracticable for MFGA to make CFDs available to the Client under this Agreement then MFGA may terminate this Agreement with immediate effect by notice to the Client, and close out all CFDs in accordance with clause 16(c) as if such illegality or impracticality were a Default Event for the purpose of that clause but any such termination will not relieve the Client of any obligations under this Agreement prior to such termination.

18. AMENDMENT AND TERMINATION OF AGREEMENT

- (a) MFGA may from time to time amend, alter, modify, substitute or supplement the terms of this Agreement by notice to the Client of such change.
- (b) The terms on which the Client may enter into CFDs are the terms of this Agreement in force at the time immediately prior to the Client instructing MFGA to arrange the entry by the Client of a CFD.
- (c) This Agreement continues unless and until a notice of termination is received by either party. The party wishing to terminate this Agreement must give not less than 2 Sydney Business Days' notice of termination and the termination takes effect on the expiry of the notice period. Termination shall not release either party from any existing obligations or from any liabilities for any antecedent breach of any terms of this Agreement.
- (d) If this Agreement is terminated, the Client must give a Closing Notice in respect of all existing CFDs within 5 Sydney Business Days of the date of termination. If the Client fails to unwind any CFD within that 5 Sydney Business Days period or such other time agreed between you and MFGA, MFGA may close out that CFD in accordance with clause 16(c) as if that failure were a Default Event.

19. RIGHTS OF MFGA

MFGA may at any time without prior notice to the Client, in order to discharge the Client's obligations (actual or contingent) under this Agreement:

- (a) apply all or part of any monies having currency held by MFGA in the Client's CFD Account and any currency held by MFGA for the purpose of the Client's dealings in such order and manner as MFGA thinks fit, whether the liabilities are actual or contingent, primary or collateral, joint or several;

- (b) combine or consolidate all or any of the Client's accounts with MFGA; and

- (a) the execution of the Client's instructions in relation to CFDs;
- (b) the occurrence of a Default Event;
- (c) MFGA exercising any of its rights and powers upon the occurrence of a Default Event;
- (d) any amount payable by the Client under the terms of this Agreement; and
- (e) anything lawfully done by MFGA in accordance with this Agreement or by reason of MFGA complying with any direction, request or requirement of any government body or regulatory authority.

21. LIMITATION OF LIABILITY

- (a) The Client has read, understands and accepts all of the terms of this Agreement. The Client agrees that in entering into each CFD the Client will rely only upon the Client's judgement and, to the extent permitted by law, in the absence of negligence, fraud or dishonesty by MFGA or any of its employees, agents and representatives, MFGA shall have no responsibility or liability of any kind in respect of any advice or recommendation given or views expressed to the Client on such matters, whether or not the advice or recommendation is given or views are expressed at their volition or upon the Client's request, nor will they be liable in respect of any loss incurred by the Client in connection with any CFD.

- (b) MFGA will be under no liability arising in respect of any private dealing, contract, transaction or relationship between the Client and any of MFGA's employees or agents.
- (c) To the extent permitted by law, in the absence of negligence, fraud or dishonesty by MFGA or any of its employees, agents and representatives, MFGA has no responsibility or liability of any kind for any loss or damage whatsoever incurred by the Client as a result of any delay in transmitting or failure to transmit funds caused by reasons beyond MFGA's control or as a result of MFGA's failure to timely execute orders placed with it or to transact business or otherwise administer this Agreement in the manner contemplated by this Agreement for reasons beyond its control (including without limitation, exchange control or other government restrictions, exchange or market rulings, suspension of trading, power failure, telecommunication failure, strikes or war) and, without limiting the indemnity in clause 20, the Client indemnifies and agrees to keep indemnified MFGA and its employees, agents and representatives from and against all sums of money, actions, proceedings, suits, claims, demands, damages, costs, expenses and other amounts whatsoever arising in respect of any such loss or damage.
- (d) MFGA will be under no liability for any loss or damage arising from or in connection with any CFD as the result of any moratorium, change in exchange rates, currency restrictions or changes therein, suspension or delisting of any Contract Security or any other occurrence in relation to a Relevant Exchange.
- (e) Every exemption from liability, and every defence or immunity available to MFGA shall also be available to and extend to protect every one of MFGA's employees, agents and representatives.

22. COSTS, TAXES AND EXPENSES

- (a) The Client acknowledges that the Client is responsible for the Client's own legal costs associated with entering into this Agreement and for all taxes and expenses incurred by the Client in connection with this Agreement.
- (b) The Client agrees to reimburse MFGA for all taxes (both direct and indirect and including GST) and expenses charged in connection with any CFD (other than tax on the income of MFGA), and for all costs and expenses

incurred by MFGA in implementing the terms of this Agreement and in enforcing its rights under this Agreement.

23. TRANSACTION CHARGES AND FEES

- (a) The Client acknowledges and confirms that:
- (i) MFGA is permitted to deduct, without further reference to the Client, commission in respect of each CFD. The Client will pay commission to MFGA (charged in the base currency of the CFD) when the CFD is opened and when the CFD is closed. MFGA will set the application commission/brokerage rate from time to time in its sole discretion and such rate may incorporate any market charges incurred by MFGA in relation to a Hedge Position;
- (ii) MFGA is permitted to deduct, without further reference to the Client, electronic trading platform charges from the Client's CFD Account as held with MFGA during the term of this Agreement, whilst the Client has access to such a service; and
- (iii) in respect of CFDs where the Client is the Short Party, fees relating to stock borrowing charges incurred by MFGA in hedging its exposure to the CFD.
- (b) The Client acknowledges that if the Client instructs MFGA to effect a CFD with MFGA, the Client must pay to MFGA the transaction charges and fees agreed between MFGA and the Client from time to time and pay all transaction charges, fees, Margins, settlements, interest and any other amounts due under this Agreement on demand by MFGA in cleared funds or otherwise as required by the terms of this Agreement.

24. PAYMENTS

All payments by the Client under this Agreement are to be made:

- (a) within 24 hours or such lesser time as MFGA may determine in its sole discretion; and
- (b) without any setoff by the Client, counter claim or condition and without any deduction or withholding for any tax or any other reason unless the deduction or withholding is required by applicable law. If the Client is required to make a deduction or withholding

in respect of tax from any payment to be made or if MFGA is required to pay any tax in respect of any payment made in relation to this agreement at the Client's request then the Client indemnifies MFGA against that tax and agrees to pay to MFGA an additional amount to ensure MFGA receives a net amount (after payment of any tax in respect of each additional amount) that is equal to the full amount MFGA would have received had a deduction or withholding or payment of tax not been made.

25. CALCULATION OF AMOUNTS / CURRENCY OF PAYMENTS

- (a) All determinations and calculations made by the Calculation Agent pursuant to this Agreement will be binding on the Client in the absence of manifest error. When the Calculation Agent is required to act or exercise judgement, it will do so in good faith and in a commercially reasonable manner.
- (b) All amounts due to MFGA or payable by MFGA to the Client under this agreement are payable in such currency as MFGA may require or determine.
- (c) If an amount is payable by MFGA to the Client in a Foreign Currency, the Client may request that MFGA converts such amount into AUD. The Client may also request that MFGA converts a balance in their CFD Account from AUD to a Foreign Currency or from a Foreign Currency into AUD or another Foreign Currency. MFGA will decide in its sole discretion whether to approve and effect such conversion.
- (d) A conversion effected under clause 25(c) will involve the entry into foreign exchange contracts within the meaning of the Corporations Act and will be at the Exchange Rate quoted by MFGA. In respect of each conversion, MFGA will charge the Client a spread on the Exchange Rate, which will be debited from the Client's CFD Account.
- (e) For the purpose of determining any amount in AUD (including, without limitation, GLV or Free Equity) or any other currency in connection with a CFD, MFGA may convert any amount into another currency using any widely recognised and published foreign exchange rate selected by MFGA in its sole discretion.

26. DEFAULT INTEREST

The Client agrees to pay interest and MFGA is entitled to charge against the Client's CFD Account interest (before as well as after judgment) on any amount due to be paid

to MFGA by the Client, from the date the amount becomes due until the date the amount together with interest under this clause is paid in full. Interest will be calculated daily and compounded monthly at a maximum rate of the RBA Rate plus 8% per annum (in respect of AUD amounts) and a maximum of the applicable MFGA Base Rate plus 8% per annum (in respect of other amounts). The actual default interest margin is set by MFGA in its discretion.

27. STATEMENTS

A Guide For New Clients

The Contracts for Difference Client Agreement should be read carefully before execution. Your attention is also drawn to the following points:

1 All new clients who intend to enter into contracts for difference should have an interview with a client adviser, during which the client adviser would explain:

- the risks attached to this product;
- that the dealing is conducted with MFGA as principal;
- the initial margin calculations and ongoing margin requirements relating to the product;
- that after a CFD is entered into, funding costs will be credited to the Short Party's account and be debited to the Long Party's account.
- Interest is payable by you to MFGA on any debit balance, in respect of each currency in your CFD account and default interest is also payable by you on any overdue amount.
- that MFGA has the right to close positions without reference to the client in a number of circumstances including if calls are not met by the stipulated time or if erosion of initial margin exceeds 50%.
- that interest holding charges on positions will continue until the Closing Date.
- MFGA has the right to adjust the terms of a CFD in certain circumstances.
- the nonstandardised nature of the CFD product and the minimum transaction sizes that apply.
- MFGA's right to insist on a risk approval before allowing the client's net open position to exceed USD\$5million. A second net open position threshold of USD\$10million equivalent requires the approval of the Managing Director before being exceeded.

2 CFD accounts are maintained separately to futures accounts and margin FX accounts and transfer between them is not automatic (i.e. you will have no right to offsets).

3 All CFDs are cash settled.

4 All orders are taken on a best endeavours basis only.

Guarantee And Indemnity

In consideration of **MF GLOBAL AUSTRALIA LIMITED**, a company duly incorporated in the State of New South Wales and having its registered office in that State at 225 George Street, Sydney (MFGA), agreeing to act in such capacity as the person or persons identified in item 1 of the Master Schedule (and where more than one is identified, those persons jointly and severally) (“**the Client**”) may from time to time direct, the person or persons identified in item 4 of the Master Schedule (and where more than one is identified, those persons jointly and severally) (“**the Guarantor**”) agrees as follows:

- 1 The Guarantor represents and warrants to MFGA that valuable consideration has been received for entering into this Guarantee and Indemnity.
- 2 The Guarantor unconditionally and irrevocably guarantees to MFGA payment of all amounts of money (including damages) that are payable, owing but not payable, or otherwise remain unpaid by the Client to MFGA on any account or at any time, whether:
 - 2.1 present or future, actual or contingent;
 - 2.2 incurred alone, jointly, severally or jointly and severally;
 - 2.3 originally contemplated by the Guarantor and MFGA or not; and
 - 2.4 includes money relating to the due and punctual performance and observance of all conditions and provisions of any agreement between the Client and MFGA to be respectively paid, performed and observed by the Client,

and if the Client does not pay such money on time and in accordance with any such agreement then the Guarantor agrees to pay it to MFGA on demand from MFGA (whether or not demand has been made by MFGA on the Client).

- 3 Each Guarantee jointly and severally indemnifies and agrees to keep indemnified MFGA:
 - 3.1 against any failure on the part of the Client to pay MFGA any and all moneys which are due and payable at the date of this document or which become at any later time due and payable to MFGA;

- 3.2 against all losses, suits, claims, proceedings, costs, damages and expenses of whatsoever kind suffered or incurred by MFGA by reason of any action on the part of the Client in relation to any agreement between the Client and MFGA; and
- 3.3 against any loss MFGA suffers because a liability of the Client to pay any amount under an agreement between the Client and MFGA is unenforceable in whole or in part or is not or has never been recoverable from the Guarantor or the Client because of any circumstance whatsoever including any agreement or term of an agreement between the Client and MFGA being void, voidable or unenforceable and whether or not MFGA knew or should have known anything about that circumstance.

4 This Guarantee and Indemnity shall be a principal obligation, immediately enforceable against the Guarantor by MFGA and the Guarantor as principal debtor must pay to MFGA on demand a sum equal to the amount of any loss described in clauses 3.2 and 3.3 above and shall protect MFGA against all and any obligations (contingent or actual) of the Client to MFGA. In the event of any moratorium or suspension of the Client’s obligations the Guarantor shall forthwith on demand pay to MFGA the whole of the moneys due and payable to MFGA, or which become due and payable to MFGA, by the Client.

5 The Guarantor’s obligations under this Guarantee and Indemnity are absolute, unconditional and irrevocable and that this Guarantee and Indemnity shall not be affected in any way by any circumstance, act or omission, which would otherwise affect it at law or in equity, including:

- 5.1 moratorium or by any delay period of grace or other indulgence given or allowed by MFGA to the Client or the Guarantor; or
- 5.2 by any modification or variation in the terms upon which moneys due and payable to MFGA by the Client are so due and payable;
- 5.3 any transaction or arrangement that may take place between MFGA and the Client, the Guarantor or any other person;

- 5.4 the occurrence of an Insolvency Event in relation to the Client, the Guarantor or any other person;
- 5.5 MFGA not giving the Guarantor notice of any default by the Client or any other person;
- 5.6 any change in the legal capacity, rights and obligations of, or other circumstances related to the Client, the Guarantor, or any other person;
- 5.7 any assignment by MFGA, with or without the knowledge of the Client or the Guarantor;
- 5.8 any judgment or right which MFGA may have or exercise against the Client, the Guarantor or any other person;
- 5.9 the opening or operation of a new account by the Client with MFGA or any other person; or
- 5.10 by any other thing which would but for this provision have the affect or releasing the Guarantor from liability under this document.
- 6 In the event of avoidance for any reason whether by statute or otherwise of any payment by the Client or by the Guarantor to MFGA pursuant to this Guarantee and Indemnity, irrespective of whether such avoidance operates from the time of such payment or from any later date, the liability (contingent or actual) of the Guarantor and the rights and remedies of MFGA against the Client and/or the Guarantor shall be the same as if no such payment has been made.
- 7 This Guarantee and Indemnity is in addition to and not in substitution for any other security which MFGA may hold and this Indemnity may be enforced against the Guarantor without first having recourse to any such security or taking any steps or proceedings against the Client.
- 8 The Guarantor represents and warrants that the Guarantor is aware of the terms and conditions governing the contractual arrangements between MFGA and the Client.
- 9 The Guarantor represents and warrants that the person who executes this Guarantee and Indemnity on behalf of the Guarantor has the power and authority of the Guarantor to do so.
- 10 MFGA is not liable for any loss suffered by the Guarantor as a direct or indirect result of:
- 10.1 MFGA's exercise or attempted exercise of, or failure to exercise, any of its rights contained in this document; or
- 10.2 MFGA failing to monitor compliance with, failing or being slow to enforce, or failing to notify the Guarantor of a breach of, any warranty, undertaking or other obligation of the Client or any other person under any document.
- 11 The Guarantor must pay interest, on demand, on each amount that is not paid when due, from (and including) the day on which it falls due to (but excluding) the day on which it is paid in full at the rate calculated in accordance with clause 12 below, and this clause does not affect the Guarantor's obligation to pay each amount under this Guarantee and Indemnity when it is due.
- 12 The Guarantor acknowledges that interest on an unpaid amount referred to in clause 11 above accrues each day at a maximum rate equal to the sum of the RBA Rate plus 8% per annum for that day, and is capitalised (if not paid) every 30 days.
- 13 This Guarantee and Indemnity shall be governed by the law in force in New South Wales and that the Client, the Guarantor and MFGA submit to the non-exclusive jurisdiction of the courts exercising jurisdiction in New South Wales, and any court that may hear appeals from any of those courts, for any proceedings in connection with this Guarantee and Indemnity.
- 14 The Guarantor must:
- 14.1 do anything (including execute any document), and must ensure that its employees and agents do anything (including execute any documents), that MFGA may require to give full effect to this Guarantee and Indemnity;
- 14.2 obtain all necessary governmental approvals and authorisations and take any such other actions as may be necessary to enable it to discharge its obligations under this Guarantee and Indemnity.
- 15 This Guarantee and Indemnity can only be amended, supplemented, replaced or novated by agreement (in writing) of MFGA.
- 16 This document may be executed in counterparts.
